SKI RESORT

In an outstanding setting, the small and lovely village La Bresse Hohneck became a resort. Sitting right in the heart of the Natural Park "Ballon des Vosges", La Bresse boasts the largest ski area of the Vosges mountain range (60 miles) and features many other activities.

Leisure and activities

- La Bresse offers the largest ski area of Vosges. Between 900 up to 1350 m of altitude, come and slide down : 1 black, 13 red, 14 blue, 6 green. For the cross-country skier : 50 km of trails.

300 snow guns will ensure quality snow during the entire winter season.

Discover dusk and dawn skiing with 7 km of slopes of lighted runs.

- WAOULAND : Spaces of glide 100 % funny, accessible to all, to vary the pleasures in a "crazy" universe. The principle: tumble down the slope on a route strewn with natural obstacles, springboards, banked corners, whoops. Skiers and snowboarders dash neck and neck by enjoying surpassing itself.

- LA SCHLITTE MOUNTAIN : The most recent generation of all-seasons sleds. Inspired by theme parks such as a Snow Mountain Twister, this sled on rails invites the young and old on crazy rides, winter and summer. On a track of 900 m, alternating banked turns, waves, jumps and 340° spins will make you shiver with pleasure.

- Ice rink, cross-country skiing, snowshoe, pedestrian paths, sledging strips, snowtubing, snakeglisse, husky, sled with oxen, game library, wellness resort, tennis inside, bowling, cinema, library...

AVANTAGES OF THE RESORT

> "Famille plus" labelled resort

> The biggest skiing area of the Northern east part of France
